From the Management Office...

2013 CRANE LAKES RESIDENTS STICKERS

The blue and white 2013 stickers that have been given to residents to use on the gate guard side will become obsolete January 1, 2014 and no more will be issued. Residents have been given out these stickers to non-resident family members and friends. Everyone that is not a resident and have not been issued a resident sticker will have to stop at the gatehouse before entering. We are sorry for the inconvenience, but we want to make sure Crane Lakes is a safe place for everyone to live and feel safe.

NEW GATE SYSTEM

With the new stickers, please make sure when you drive through the gate, you go slow as it does not pick up the sticker at a fast speed and make sure to stay on the right side of the line. Please be sure to get your new sticker if you have not gotten it yet. The clickers will be turned off on January 31st. February 1st, if you do not have a sticker on your vehicle you will need to come in on the gatehouse side. Remember, they will be available to residents **ONLY**. You will need to bring your registration to your vehicles to receive a sticker or stickers. You will also need to bring in your clickers to trade them in. Each **home** will receive two (2) at no charge and if more is needed it will cost \$20.00 for each additional sticker including if your home is rented or sold. Renters will need to be registered with us and they will also need to bring in their registration to their vehicles. These stickers are for **registered residents only** not family members or friends no matter how frequent they come to see you. Management will have the option to turn the stickers off if the renter or homeowner moves out. If you have any question, please call the office.

GOVERNMENT & UTILITY CHARGES/CABLE FEE INCREASE/RENT INCREASE

Crane Lakes Management would like to say "Thank You" to so many of our residents for the timely payment of the Government and Utility charges. Please be advised that anyone who has not paid the charges in January will receive a "Payment Demand" notice. Payments made will go to any outstanding charges first. **The Government and Utility Charges were due January 1, 2014 in the amount of \$399.67. Please remember that cable is now \$42.50 and your rent increase takes effect this month.**

CRANE FEEDING

Management has received complaints about residents feeding Crane's in the community which is prohibited. See inside this month courier for information on the danger.

GATEHOUSE POLICIES

There have been many questions on what the policy is for vendors and guests coming into the community. See below the policies that management would like followed:

1. Call the gatehouse to let them know you are expecting a vendor or sale people coming to your residence. Please be sure they are licensed and insured for your own protection.
2. Call the gatehouse for all family and friends that come after 9 pm or you will be called no matter what time it is. If there is no answer, they will be turned away and not allowed to come into the community.
3. If you notice anything suspicious (people/vehicles/activity) call the Port Orange Police Department at 911 or 386-756-7400-non-emergency number. Our gate employees are not security guards and are only considered gate attendants.

As our night patrol check the community, they have noticed garage doors left open at night. Please be sure to check and make sure your garage doors are closed and your cars are locked before retiring. Make sure you follow the rules and do not park on the street overnight. While walking at night or early morning, please be sure to have a reflective device or clothing so you will be spotted. It is hard to see people at night and there are some dark spots. **THE SPEED LIMIT IS 20 MPH IN THE ENTIRE COMMUNITY. PLEASE BE SURE NOT TO EXCEED THE SPEED LIMIT FOR THE SAFETY OF ALL RESIDENTS AND GUESTS.**

News from YOUR Country Club!

As many of you know on Nov. 11, 2013 Crane Lakes GCC hosted a very special golf tournament called "The Vet". The day was dedicated to ALL THOSE WHO HAVE SERVED OUR COUNTRY. A few of the highlights included a spectacular National Anthem sung by Chanice from the Roost, a sold out event with 128 players, and a unforgettable lunch served up by the team of the Roost. A grand total of \$2,115.00 was raised for The Wounded Warrior Project. A special salute goes out to golf members Mike Landau and Joel Howell for their contributions. A good number of individuals have all said "it was without a doubt, The Greatest Day in Crane Lakes Golf History".

Congratulations to the teams of Kathryn Guarnieri and Pam Howell (Flight A) as well as Mary Lou Aldrich and Donna Bowmar (Flight B) for winning the 2013 WGA Member/Member. It was a fantastic 3 day event and a great time was had by all. A very special thank you to Ronnie Slyfield for her time and efforts in organizing the event.

Swing Tip of the Month from Head Professional, Rod Perry

For all you Slicers and Pullers- Fix your OUT-to-IN golf swing by picturing the Golf Ball in Split half. The outer half of the ball shouldn't exist. Focus on hitting the inside half of the ball ONLY.

A Message from YOUR Board....

We hope everyone enjoyed their Holidays! We wish everyone a happy and healthy 2014!

Many thanks to 2 very busy committees: the Food Drive, chaired by Barb & Bill Hawkins and the Toys for Kids Drive, chaired by Andy Edwards. These two committees helped many, many residents of Port Orange that desperately needed assistance.

Thanks to Kay Gagarin and the Trim-A-Tree committee for the outstanding decorations in our ballroom! We also thank the Crane Lakes' ground crew for outdoing themselves again this year on the beautiful decorations around the community! Another thank you to management for the beautiful poinsettias in the ballroom.

2014 promises to be another fun year for the residents of Crane Lakes. Be sure to look in this issue of the Courier for the details on our Casino night and the annual Home, Health and Business Expo.

One of the most important times of the year for the H.O.A. is quickly approaching. The annual election for new directors and the vote to approve the annual H.O.A. budget. We are pleased to announce that Paul Keitz will chair the election committee again this year with Joan Daigneault as co-chair. Keep these important dates in mind during the next few months:

January 6, 2014- The First Notice of the Annual Meeting and Election will be mailed, along with the candidate information sheet to fill out and return if you wish to run for one of the three upcoming openings on the Board of Directors. Just fill out the candidate sheet and return by Jan.31, 2014.

February 10, 2014- The Second Notice of Election will be mailed. This will include the 2014-2015 budget, agenda, limited proxies, and information on all candidates running for the Board of Directors.

March 3, 2014-The DATE OF RECORD. This is the date by which you must be a 2014 H.O.A. member in order to vote.

IMPORTANT UPCOMING ELECTION MEETINGS:

February 13, 2014, 7 p.m. –Meet the Candidates

March 13, 2014, at 7 p.m. – Annual Meeting & Election

April 17, 2014, at 7 p.m.- Installation of the Board

We would like to remind everyone that the coupon books are available before Bingo for only \$15.00 during January. These books can help save you a lot of money, with discounts on restaurants, golf, bowling and many more!

Starting this month, the winners for the "500 Club" will be drawn at our monthly Informational Meetings. During July and August we do not have Informational Meetings, therefore they will be drawn during the Board Meetings.

We would like to remind everyone that Crane Lakes is hosting the January 6th F.M.O. meeting. Registration begins at 9:30 a.m. and the meeting is from 10 a.m. to noon. This meeting is open to all residents of Crane Lakes and refreshments will be served. We hope to see you there!

We would like to thank Art Horton for his work and chairing the Building & Grounds Committee. Art had to step down and we are looking for a new chair for this committee. We also still need chairs for the Activities Committee and the Policy & Procedures Committee. Please give some thought to getting involved in your community and volunteer to chair these committees ---you will not be alone, we will help you anyway you need!

The "Register to Win" drawing for attending the Informational Meetings was held on December 12th! Congratulations to Hans Andritter, Betty & Dave de Weil and Sally & Allen Shamblen! They started off the new year right by winning a \$50 gift certificate to a local restaurant.

Thanks to all the generous residents of Crane Lakes that supported our annual food drive for the Port Orange Police! Each year they collect food for their "Santa to the Rescue" program to help feed the many residents of Port Orange that desperately need help! The Port Orange Police support all of us throughout the year! We enjoy being part of this worthy program and help support them!

We have collected 39 boxes stuffed with veggies/fruits/breakfast items/hams/tuna/soup and baking products.

We thank you for your support and we have already volunteered to chair this worthy cause again next year! Barb & Bill Hawkins

THANK YOU

It is time to sit back and enjoy the quiet after the rushing around for the holidays.

I hope you and your families had wonderful times together.

Please take time out and give thanks to all we have here at Crane Lakes!

This wonderful Community has once again given from your hearts, to the Annual Port Orange Toy Drive.

With the money you donated, plus the bikes, and toys, and the HOA portion of 50/50 from the October & November 50/50, you gave almost \$4,000.00 worth of toys out to the children of Port Orange.

One family came up with the idea to buy 2 boy's bikes and give out a letter explaining about the toy drive, to friends in place of giving the friends gifts (we really don't need). What a wonderful way to help out a child and put a smile on their face, but let the friends in on the sharing of this great gift!

It was a pleasure to be able to go shopping, bag up the gifts for the families (with help from the elves) and see the joy on the Firemen's face when they come to pick up the toys.

HAPPY NEW YEAR

TO
EVERYONE

A big Hug & Thank You goes out to the Friday Morning Prayer group –

again this year, they donated food bags to each of the 13 families! Each bag had food for 3 meals along with snacks. Thank you to this fine group of ladies, who each year gives out of their pockets, (almost \$400.00), to be sure these families have food on the table. They go out and buy the food, package up the bags, and deliver them to my home to be picked up by the Firemen when they come and pick up the toys.

Thank You again from the bottom of my heart to allow me to put pleasure and smiles on the faces, when I can buy the items on the lists the children have asked for!

This is our 14th year doing this toy drive, I will gladly do this again next year, unless there is someone out there who would like to step forward and have the pleasure of doing this very rewarding job. If you would like to volunteer to do the Toy Drive next year, please speak to a Board Member. I believe in sharing the "wealth" and pass this on if someone else would like to do it.

Once again, "Thank You" for always being there for the Kids!

Love, Andy Edwards

GOLF CART PARADE

The 5th annual holiday golf cart parade was so much fun!!! We have so many extremely talented and creative residents living in Crane Lakes.

We had 44 decorated golf carts, each one more imaginative than the next! Every year this parade gets bigger and better! We can't wait until next year!

Thanks to ALL that participated and thanks to all the residents cheering us on as we passed your driveway!

A special thanks to Jonathan, Lynn and all the servers at Crane's Roost! They picked up where the parade left off to continue the holiday festivities. They also gave out some great door prizes to all those that joined in the parade and Roost festivities!

Activity Meeting

Did you enjoy our recent Square Dance? How about the Halloween party? The suggestion for these events came from residents just like you. We want to hear from more of you. Let's get together to talk about your ideas for events for next year. On Tuesday, January 14, 2014, there will be an Activity meeting for anyone who would like to share suggestions. Please consider chairing the activity you suggest. We will discuss all suggestions and develop a calendar for these events. We will meet at 7:00 pm in the ladies' card room If you have an idea and are unable to attend please call Angie Hucknall at 265-4626.

NEWS FROM CRANE'S ROOST

We continue to hear praise for our First Annual Thanksgiving Feast. Everyone seemed to enjoy it, and some are already making plans for next year's event!

Many of the residents and a number of outside groups held their Christmas parties at the Roost. The events ran from small brunches to large luncheons and special dinners, both plated and buffet style. We have already seen some repeat customers from outside Crane Lakes visiting us for lunch and dinner so they must be well pleased. We hope you will continue to include the Roost when you are planning your special events – birthdays, anniversaries, and whatever else you choose to celebrate.

As of this writing we have not yet had the Resident Christmas party sponsored by the Management. From the advance publicity it promises to be a great success.

Also at this time the New Year's Eve dinner and party, Putting on the Glitz, is still to take place. Advance ticket sales, which include dinner reservations and the party in the ballroom, are going fast and furious. We will tell you more about it next month.

Our Sunday brunch from 11:00 to 2:00 (\$8.99 per person) continues to be a success. This has become the place to meet your friends after Sunday church services or an early round of golf. Reservations are accepted for the brunch, but you are welcome to just drop in if you wish.

Another special from the Roost is the Friday night all-you-can-eat fish fry. At the suggestion of some of our residents, the format of this dinner has changed: it is now a plated dinner, not a buffet. The price remains the same -- \$12.00 pr person.

Continue to watch the *Courier* and notices on the website and on the bulletin boards for more events. We plan to have entertainment once a month and to offer more special or themed dinners. One already in the planning stages is a special Valentine's Day dinner.

Even though the Christmas shopping season is over, don't forget to buy your Roost gift cards. These make great birthday, anniversary, or thank you gifts, or just "this is for me" treats. And for every \$100 in gift cards you purchase you get an additional \$15.00.

All of us at the Roost hope that you had a wonderful holiday and wish you much happiness and health in the New Year.

The "HOLIDAY MEMORIES DANCE", was a Tremendous Success, last month.

There were 295 people in attendance. Truly a Full House.

Having this type of crowd around the Holidays, certainly added a lot to the occasion.

Fortunately, with this very large crowd, there was an "Outstanding Committee", that was very busy for quite some time, wanting to make this event successful.

Committee members involved are: Jerry & Donna Bowmar, Eric & Pat Ernst, Dave & Mary Lou McIntyre, Pat & Barb Dugan, Jack & Sandy Fornshell, John & Lynn Nolan, Dave & Betty DeWeil, Bill & Barb Hawkins, Bob & Bobbie Taratine, Terry Pavlovsky, John & Jane Lengyel, Warren Whitman, Linda Eisel, Ray & Anna LaBrecque, Paul George, Carole Ille

We started with a performance by, "The Crane Lakes Carolers". All dressed from the Charles Dickens era. They sang eight songs filled with a lot of Holiday Spirit.

"Our Carolers" include: Helen Briones, Pat Ernst, Jane Lengyel, Sharon Buehl, Eric Ernst, John Lengyel, David Gugger, Jan Gripentrog, Gina Gibson, Donna Campbell, Kurt Gripentrog, John Thomas, Chas Maita.

Helping The Carolers during their singing was:

"Santa & Mrs. Claus"---John & Rita McMenamin and " Elf"—Barb Dugan

Then a "Marvelous Performance", By the Crane Lakes Rockettes, who treated us to a wonderful look at "The Toy Soldiers" that we have seen in our memories for many years. They should feel very proud Rockettes were: Jerrie Batson, Mary Bonney, Diane Dantzer, Sharon Groteaw, Joan Hering, Linda Howell, Fern Hill, Judy Maxwell, Karen Rieker, Barbara Risdon, Dorie Schisler, Kay Ward.

Next came a really funny number by Joyce Brown, all dressed up perfect for her song,

"I'm Getting' Nuttin' For Christmas". She was "Great" and there really was a lot of laughing by the crowd during and after this one.

Then a wonderful duet by Eric & Pat Ernst, "Rockin around the Christmas Tree", that was filled with a lot of Christmas Spirit, and sung by them with a lot of energy. They sang great, and it was easy to see the crowd liked their performance very much.

Next, working on some more Christmas Spirit was a song making a fuss over Santa.

Barbara Dugan, performed a wonderful expression on how she feels about Santa, and by singing to him, she tells him what she wants from his visit Christmas Eve, and sings "Santa Baby". She did a wonderful job and the crowd was very receptive and cheerful.

Then I closed our show with "The Christmas Song". That's a song *I've liked for many years.* As usual – James Schisler, operated "the sound" outstanding for the show.

After the Show, the dancing started, with music by "SOLID GOLD", one of the best Dancing Music groups we use here.

Then around 8:30, everyone was invited to help themselves to the "Holiday Home Made Desserts". These were baked by over 25 Crane Lakes Bakers, and the very large quantities were all organized by Mary Lou McIntyre & Lynn Nolan

We were also fortunate to have seven winners in Share the Wealth. One of the most in a long time.

We also were able to give out ten door prizes, two of which were trays made by George Blysak. Five of the prizes, were Gift Cards from the Roost. The rest were bottles of wine

Many Thanks To Everyone Who Attended, And Were Able To Enjoy This Event. It Was Truly a Pleasure for us.

John & Mary Jo Thomas

Why is feeding cranes prohibited?

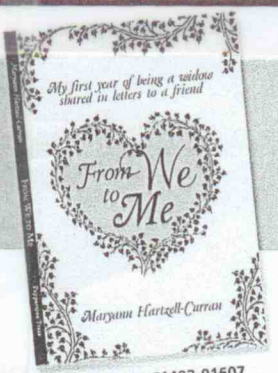

Cranes fed by humans can become aggressive toward people. In several instances, children have been attacked by cranes. Cranes fed by humans also have been known to damage window screens and do other property damage. This behavior is probably a response of the birds to seeing their reflection, bringing out a territorial defense behavior (scratching at windows or shiny automobiles). Cranes also are more likely to tangle in human garbage in areas populated by people. Cranes are more likely to crash into power lines in urban areas where such aerial hazards are concentrated. Cranes attracted to people's yards for feed are put at risk as they walk across roads. Many sandhill cranes are killed each year on Florida roads (see photo). Attracting cranes to urban areas increases the threat of predation (especially to young cranes) by dogs or cats. Further, the cranes' diets, which normally are quite diverse, are disrupted when they eat one food item (such as corn), consistently. Heavy pesticide use in urban lawns also is of concern. Young sandhill cranes have died from pesticide poisoning.

Conclusion

It's never a good idea to feed wildlife. People inadvertently put cranes in harms way when they attract these birds to their yards with feed. Florida sandhill cranes have an abundance of natural foods (insects and small animals) and they do not need handouts from humans. There are many reasons why cranes should not be intentionally fed by humans. For the good of the cranes, please do not feed them.

Four things you can do to better coexist in "Crane Country"

- Never feed cranes and encourage your neighbors not to feed cranes. Cranes are less likely to inhabit urban areas if easy meals are not provided.
- Cover or move automobiles so that cranes cannot see their reflections in the shiny surfaces. Windows or glass doors that the cranes attack can be temporarily covered with material so that the birds do not see their reflections.
- Temporarily cover windows or screens. A string mounted on stakes about 2.5 feet off the ground will provide an exclusion "fence" around the parts of homes (window or pool screens) that are being damaged by cranes.
- Accept some digging for food. Cranes sometimes damage lawns and gardens as they dig for food such as mole crickets and beetle grubs. The birds, in this case, provide natural "biological control" of these common pests of turf.

The Crane Lakes Resale Office

Selling homes here in Crane Lakes is what we do far better than anyone else! Our onsite extra effort tends to pay off in the best results that you can expect under the current adverse selling conditions in the resale market.

The Crane Lakes Sales Office finished the year with 8 homes sold since November 1st, with two being in December, bringing the 2013 YTD total to 65 sales. For the ninth consecutive year our office has continued to be, by far, the number one way to buy or sell a home in the community. We actually outperformed the second most successful realtor by 60 more listings sold in Crane Lakes than them during the same period this year!

We still have a very nice selection of 15 resale homes available right now from \$59,900 to \$149,900 listed through our sales office. So, please call or stop by to set up an appointment to discuss the potential purchase of one of our listings or to get information if you are considering selling your home. We would be very pleased to work with you through the entire process of buying or selling a home here in Crane Lakes.

Our referral offer this month is: bring us a client that contracts the purchase of one of our listings from January 1 through January 31, 2014 and we will thank you with a \$100 check and an additional \$25 gift card to enjoy a nice meal at the Roost at Crane Lakes.

Please check out our wide variety of home listings on www.cranelakes.com, email us at doug.cranelakes@gmail.com, or stop in the office for more information on our listings. Office hours remain: M-F 9-4, Saturdays 10-2 & Sundays by appointment.

Selling homes in this community is our full time job!
