Golf Quote of the Month

*“Golf is an endless series of tragedies
obscured by the occasional miracle”*

Tips from the Tee:

Get your arm swing connected to your body rotation

The number one thing players ask for in lessons is to be more consistent. Next to having a fundamentally sound grip, getting your arm swing and your body rotation to work in harmony is the next most important thing. If the body rotation is faster than the arm swing then pushes and slices occur. If the body rotation is slower than the arm swing here comes the hooks. Try putting a small towel

under your arm pits and across your chest and hitting balls. This keeps the two parts of the golf swing working in harmony.

Just a Friendly Reminder :

How to Properly Rake a Bunker

You need to rake the bunker after playing from them every time. Yes, even if you use your putter! When doing so try to get the grooves left by the rake going towards the target. After raking the

bunker ask yourself how would you like it if your ball ended up in that bunker that you just fixed. As golfers we all have an obligation to leave the golf course better than we found it.

sWhat's Happening At The Crane Lakes Resale Office?

In spite of last years' continuation of high interest rates, our office closed on 40 homes vs 39 last year and 40 homes two years ago. Do you know someone who would enjoy the amenities and the lifestyle that Crane Lakes has to offer its residents? If so, why not tell them about how much you enjoy living here. Next, send them in to our office to see the fine homes that we have to sell. If they seem to love it here as much as you do, and they sign a contract to buy one of our listings during the month of February, our office will thank you with a check for \$200 after the closing takes place.

Please call our office to set up an appointment to either view any of our listings or to set up a free home market evaluation to use if you are considering selling your home.

F.M.O. NEWS

The Political Action Committee is starting to meet with legislators on issues the F.M.O. has received from members; nothing has been finalized as of now. I will advise when I know more.

Our F.M.O. members in the community have been flat or down slightly each month in 2024. We need all members to renew their memberships and talk to their friends and neighbors about the importance of joining the F.M.O. Membership dues are the only source of income to pay our lobbyist in Tallahassee. The F.M.O. is comprised of volunteers that are dedicated to preserving our way of life.

Applications to join the F.M.O. are in the hallway across from the gym and on our website. Just fill out and mail or drop in my mailbox at 2228 Crane Lakes Blvd. and I will mail it to the F.M.O. office for you. It is only \$30.00 for 1 year and \$75.00 for 3 years. If you have any questions, please do not hesitate to call me at 386-214-0118.

Hello Pool Friends

As we announced at our Pool Christmas Party; Randy & I will be stepping down as Crane Lakes Pool Coordinators effective April 7. We took over the duties of Pool Coordinators from Ed & Gina Gibson back in September 2016.

We're hoping someone will step up to take over the post; since it would be a shame for it to end .. but, it's time for some new blood with some fresh ideas. We will certainly help you learn the process-it really is not difficult-it does require Excel program on your computer. It doesn't take more than 5 minutes after each pool play date to do the scoresheets.

We've enjoyed playing pool and look forward to playing in the future under new leadership.

Thank you all for some great Memories-we've met lots of new people and cherish those Friendships and hope to make even more!

We want to take this opportunity to wish you and your Families a Wonderful Christmas and Good Health and Happiness in 2025.

Sincerely,
Jayne & Randy Riley

Do you like to Knit or Crochet????

Would you like to learn either skill?

Let's form a group that enjoys these hobbies.

"I have been working with Tom for several years now along with John and Hayden. They took over Allen Ins who I had used as my insurance agent for my portfolio of rental properties for 18 years. The fact that we stayed with them when things changed and we continue to receive good service speaks for itself."

Susan Goldthorp

Licensed Real Estate Broker and Landlord

"We could not be happier to recommend Tom Bieri and Allen Insurance as the only insurance agency you will ever need. Tom has been my personal agent for over 10 years. Not only has he saved us thousands of \$\$ on premiums, but no other agent has been as thorough, honest and timely in his correspondence with us."

Tom & Missy Franke

"Tom makes the process of insurance easy and affordable. He is a straight shooter that is knowledgeable and honest. He truly cares about his clients and their individual needs."
