ATTENTION RESIDENTS

To protect yourselves, please use licensed and insured contractors per the prospectus. It might be a good idea for you to know the background of anyone you invite onto your home site for any reason. You are responsible for the conduct of persons you invite into the community.

SPRINKLERS

As a reminder when doing work in flowerbeds or in the yard such as: placing rock, placing mulch, removing plants, placing or removing a tree, adding a deck or any other item that affects sprinklers to call the office and request a work order for the sprinklers to be flagged approximately a week prior to any work done. This will prevent broken sprinklers/pipe or covering up sprinklers. You will also need to fill out a Design Specification Approval form for preapproval.

SPEEDING/RESIDENT GATE

Please be advised that the speed limit in the community is 20 MPH. The management office is receiving complaints with speeding cars and golf carts. Please do your part and watch your speed and please advise guest(s) to do the same. We need to make sure everyone abides by the speed limit for the safety of all. Thank you for your help in this matter.

PETS

Please be reminded that pets must be on a leash at all times **(including cats)** and are not allowed to be tied up outside or running loose at any time. You may walk them in the streets or on the sidewalk. **All pet droppings must be picked up and discarded sanitarly at all times.** You may not walk them on the golf course or in your neighbor's yard. Common Areas are acceptable except for the pool area. Management has received numerous complaints. Please follow the rules for all your pets.

SNOWBIRD

If you are getting ready to leave for the summer, please be sure to inform the office when you will be leaving and when you are planning to return. This helps us to locate you if we need to contact you. Thank you in advance.

DESIGN SPECIFICATION APPROVAL FORM

AS A REMINDER:

Anything you do on the outside of your home, you need to fill out a Design Specification Approval form with all measurements, colors and diagram of what you would like to do. This includes tree removal, tree placement, adding concrete or additions, painting shutters, adding or changing windows, adding screen or anything else you want to do on the outside of your home. Once you fill out the form, we will either approve it or not and let you know. If a permit is required, you will need to get the permit from the City of Port Orange before you can start any of the work. You can pick up the form in the office or if you have any questions, please give us a call. Thank you.

WALKING ON THE GOLF COURSE

Please be reminded that residents and guest are not allowed on the golf course or paths unless playing golf. This also includes being in a golf cart. It is for the safety of everyone. We are asking everyone to abide by this rule. Thank you in advance.

Golf Quote of the Month

“If you drink, don’t drive. Don’t even putt.”

—Dean Martin

Tips from the Tee:

Be careful what you hear. You might believe it. This is true in both life and golf. There is a abundance of tips and tricks available to golfers these days. Its everywhere. Some of it is great information and some of is complete do do! This game has been played for hundreds of years and the fundamentals haven’t changed. Grip, stance, alignment, posture, and ball position are usually the culprits of a bad swing or bad shot. Chasing golf tips, you heard from you buddies is literally the same as taking flying lessons from a pilot who crashes their plane all the time. If your struggling get professional help. Myself, Jessica, Brian, and Teresa have dedicated our careers to helping people just like you get better and enjoy the game as much as possible.

Just a Friendly Reminder :

Joy riding in the golf course is strictly prohibited. The only time carts are permitted on the golf course is for the sole purpose of playing golf. We have had too many close encounters with residents who might not be aware the damage a golf ball can cause if they were to get hit. Please use the roads and main sidewalks within the community to drive golf carts.

What's Happening At The Crane Lakes Resale Office?

February was a very active month at our sales office! Our office sold 6 homes in the last month, with two selling within just a week on the market! However, the buyers remain very selective. The inventory of homes for sale in Crane Lakes is nearly double what it was a year ago and triple what it was two years ago.

Staff changes here include: the retirement of 20-year sales veteran and close friend, Andy Edwards, who is already greatly missed here and nearly impossible to replace. Love you, Andy! We interviewed several very qualified people interested in working at the office and are pleased to announce the addition of Brenda Fischer to our staff. Welcome Brenda, we feel lucky to have you on board you're such a great fit to our staff. My wife, Sharon Peck, has also stepped up to fill in schedule gaps until Pam Howell returns from a sick leave.

As of this writing, here is our inventory of homes recently sold or still for sale:

F.M.O. NEWS

The legislators are back in Tallahassee for the 60-day session.

The F.M.O. is backing Senate Bill 1714 which will assist people and households having an annual income of not making more than 140% of the area medium income. The Florida Housing Corp will monitor local governments to determine compliance. The local housing assistance plan will assist with local rent payments. If you support Senate Bill 1714, call our Senator, Tom Leek (850-487-5007). The F.M.O. supports homeowners' concerns about lot rent increases. The House version of the Senate Bill is House Bill 701. You can call our Representative, Chase Tarmont (850-717-5030) and tell him you support the bill. Be prepared to speak with the Legislative Aide or leave a voicemail.

The Board of Directors of the F.M.O. organization discussed the sustainability of the organization. After the discussion the Board voted to raise F.M.O. membership effective June 1, 2025. The new dues will be \$40 for one

year and \$85 for three years. If you are within 60 days of your renewal, you may renew at the current rate. This increase is needed to pay the retainers for our lobbyist in Tallahassee and legal counsel, four printed F.M.O. magazines per year, the ability to have a seat at the table of everything that affects our way of life, such as the tie down program and offering the H.O.A. Board the training classes that are required for all H.O.A. Board members. By renewing your membership and talking to your friends about joining will keep the F.M.O. going. Membership dues are the only source of income to pay our lobbyist in Tallahassee.

Applications to join the F.M.O. are in the hallway across from the gym and on our website. Just fill out and mail or drop into my mailbox 2228 Crane Lakes Blvd. and I will mail it to the F.M.O. office for you. It is only \$30.00 for 1 year (June 1st \$40) and \$75.00 for 3 years (June 1st \$85). If you have any questions, please do not hesitate to call me at 386-214-0118.

COMMUNITY Outreach

We would like to extend our outreach program to all residents who may need assistance with occasional small tasks. You can also find service providers listed in the Crane Lakes Resident Classified section of our monthly Courier which offer help with chores, errands, transportation, etc. Another great resource is The Council On Aging of Volusia County, which is a non-profit organization serving Volusia County Seniors. They offer services for nutrition, including home-delivered meals; in-home care, including light housekeeping, personal care, transportation to appointments, companionship, respite care; light chore services such as small household repairs; Senior Center activities, providing a variety of engaging social activities; telephone reassurance to check in and socialize; and more. You can call the COA at (386) 253-4700 or go to www.coavolusia.org for additional information.

**Call Rick and Bobbi Eskey (chairpersons)
(386) 317-5472 or (708) 373-3358 with any questions.**

“I have been working with Tom for several years now along with John and Hayden. They took over Allen Ins who I had used as my insurance agent for my portfolio of rental properties for 18 years. The fact that we stayed with them when things changed and we continue to receive good service speaks for itself.”

Susan Goldthorp
Licensed Real Estate Broker and Landlord

“We could not be happier to recommend Tom Bieri and Allen Insurance as the only insurance agency you will ever need. Tom has been my personal agent for over 10 years. Not only has he saved us thousands of \$\$ on premiums, but no other agent has been as thorough, honest and timely in his correspondence with us.”

Tom & Missy Franke

“Tom makes the process of insurance easy and affordable. He is a straight shooter that is knowledgeable and honest. He truly cares about his clients and their individual needs.”
