From the Management Office...

ATTENTION RESIDENTS

To protect yourselves, please use licensed and insured contractors per the prospectus. It might be a good idea for you to know the background of anyone you invite onto your home site for any reason. You are responsible for the conduct of persons you invite into the community.

RENT IS DUE ON THE 1st of EACH MONTH

Remember, your rent is due on the 1st of each month. Late fees begin accruing after the 7th day of the month. To avoid late fees, please have your rent in the office by the 1st. If you have any questions, please refer to your prospectus. Automatic debit from your checking account is available, just call our office.

APPLICATION FOR RESIDENCY, OCCUPANCY OF HOMES, AND RENTERS

Some residents have allowed friends and family to live in their home without proper authorization. All potential residents must fill out our application for residency, have orientation with our office, pass a background check and be in good standing with our rules and regulations. **One person in the home must be age 55 or over with other occupants being a minimum age of 40.** There are some exceptions to this rule with management approval. This rule includes residents who rent their homes and the persons renting them. Anyone who will be renting your home may do so for a **minimum of six (6) months and must comply with the above.** Please do not jeopardize the tenancy of yourself and your home by not complying. We do keep an up-to-date HUD census in our office with copies of identification as residents move in and out of our community.

REMEMBER, NO ONE UNDER THE AGE OF "40" IS ALLOWED TO LIVE IN CRANE LAKES.

GATEHOUSE ATTENDANTS

Please remember that our gate employees are not security guards and are only considered gate attendants. If you notice anything suspicious (people/vehicles/activity) call the Port Orange Police Department at 911 or 386-756-7400 (non-emergency number). They **are not** trained for dangerous encounters and should not be put in any dangerous situations.

GARBAGE, RECYCLE AND YARD WASTE

Please remember that Garbage, Recycle, and Yard Waste may be placed at the side of your driveway no earlier than the night before pickup. If you have contracted someone to trim and weed your lot, please make them aware of our rules and regulations.

Please do not put any debris on the grass.

OVERNIGHT STREET PARKING

Please remember street parking is allowed for no longer than 3 consecutive hours during daylight hours. Residents and their guests must park in the driveway or in specially designated areas around the Community. There is no overnight parking allowed on the streets for any reasons. If an emergency vehicle comes in the community, they need to be able to go down all streets. This is a very important rule and someone's life may depend on it.

2024 DIRECTORIES ARE IN!

Please stop by the office to pick up your 2024 directory during office hours only (10:00 am to 12:00 pm and 2:00 pm to 4:00 pm). They have finally arrived. Please only **ONE** per household until everyone gets a copy. Thank you

Golf Quote of the Month

“Golf is a game invented by the same people who think music comes out of a bagpipe”
- Lee Trevino

Tips from the Tee: Putting Made simple

Limit the amount your putter face rotates during your stroke and limit the amount of arc in your stroke. Although its impossible for the putter to do so, we want the stroke to be relatively straight back and straight though the ball. We also want the putter so stay square to the ball as much as possible. If you can do those two things then your putting will be much more consistent. To practice this lay two clubs down parallel to your target line about five feet from the hole. They should be just wider than your putter. Make some putts in between the clubs thinking straight back-straight through.

Just a Friendly Reminder : Its Lightning Season

If you hear thunder lightning is near. Weatherbug has a fantastic app everyone who plays golf should have. The app tracks your location and provides weather warnings when the threat of lightning or other dangers is near your location. 8 miles is the general rule. If lightning is within 8 miles get off the golf course. Then you need to wait 30 minutes after the last lightning strike within 8 miles. Most of the time you don't get a mulligan when it comes to lightning.

Summer News from the Sales Office

We continue to be a very desirable place to live and many clients want to be here as soon as they sell their current homes. So, if you are in no hurry to sell it may be best to hold off listing until late Fall or early Winter. Our sales office and all the outside agencies have seen a significant decline in new clients looking to purchase a home here this Summer. It appears that will remain that way until this Fall when our northern friends return to Florida and hopefully interest rates are lowered by the government as rumored by the federal reserve. However, if you do plan to list soon, we believe that our YTD sales of 26 homes sold & closed through our office proves that we remain your best choice to sell your Crane Lakes home.

Do you know someone who would enjoy living in our beautiful community like you do? If you like all of the numerous amenities that Crane Lakes has to offer and our resort like lifestyle, then please let them know about us too. If you refer them to our office and if they love Crane Lakes as much as you do and contract to purchase one of our listings during the month of August and we will show our gratitude by giving you a check for \$200 after their closing takes place. We appreciate all of the past great referrals of your family members and friends that many of you have brought to us throughout our twenty years that we have been here to serve you.

The Reformed Performers by Michele Steinke

Let's get one thing straight. When I took over the Performers group after last year's show, I had no idea what I was doing. But that was then, and this is now. I originally wanted to start a monthly acting group similar to what I had done for a few years at the Daytona Playhouse. I hoped that would morph into a type of variety show for the next Performers Show in 2025. That didn't happen.

What did happen, after many stumbles along the way, is I met some really fascinating people. It turns out Crane Lakes is filled with remarkable individuals with great stories of what they did in their lives. Did you know we had someone who was with President Reagan's Secret Service? OK, I made that up, but we have some residents who have done absolutely amazing things. Some still do them.

For now, the Performers have taken a backseat. We are not performers as that name indicates, at least to me, actors pretending to be someone else. If anyone knows me, they know I am a performer. The group which currently meets twice a month are themselves; they are not portraying anyone. Therefore, for now, we will be called **Notable Neighbors**. These are your friends who live among you.

Our show will be in April 2025 and will be comprised of your Notable Neighbors, some sharing intriguing tales of their life (it will be the short, Reader's Digest version, I promise), others will demonstrate a talent they have (but this is NOT a talent show!).

If you think you have a unique tale to tell, are a Notable Neighbor or would like to participate but perhaps behind the scenes with lighting, sound (I REALLY need a sound person!), with sets, etc. give me a call. If you would like to know more about your wonderful neighbors, be sure to check out the show April 3, 4, & 5, 2025!

This will return part of your Part B premium to you through a credit to your Social Security check or by reducing the monthly premium you pay directly to Medicare. That's not the only way our plan is looking out for your wallet, your goals and your health. It also comes with benefits beyond Original Medicare, such as:

- Part B premium reduction, putting up to \$164.90 back into your Social Security check each month*
- No referral required to see in-network specialists
- \$75 over-the-counter allowance every three months†

John Hill, Jr. 386-785-6198

"I have been working with Tom for several years now along with John and Hayden. They took over Allen Ins who I had used as my insurance agent for my portfolio of rental properties for 18 years. The fact that we stayed with them when things changed and we continue to receive good service speaks for itself."

Susan Goldtharp

Licensed Real Estate Broker and Landlord

"We could not be happier to recommend Tom Bieri and Allen Insurance as the only insurance agency you will ever need. Tom has been my personal agent for over 10 years. Not only has he saved us thousands of \$\$ on premiums, but no other agent has been as thorough, honest and timely in his correspondence with us."

Tom & Missy Franke

"Tom makes the process of insurance easy and affordable. He is a straight shooter that is knowledgeable and honest. He truly cares about his clients and their individual needs."
