### **ATTENTION RESIDENTS**

To protect yourselves, please use licensed and insured contractors per the prospectus. It might be a good idea for you to know the background of anyone you invite onto your home site for any reason. You are responsible for the conduct of persons you invite into the community.

### **RENT IS DUE ON THE 1<sup>st</sup> of EACH MONTH**

Remember, your rent is due on the 1<sup>st</sup> of each month. Late fees begin accruing after the 7<sup>th</sup> day of the month. To avoid late fees, please have your rent in the office by the 1<sup>st</sup>. If you have any questions, please refer to your prospectus. Automatic debit from your checking account is available, just call our office.

### **CAMPAIGN SIGNS**

As a reminder, we allow one **(1) campaign sign** only during the months of October and November (until Election Day on Tuesday) to be placed in your flower bed. They may not be on the home or in the grass. Thank you

### **SPEEDING/RESIDENT GATE**

Please be advised that the speed limit in the community is 20 MPH. The management office is receiving complaints with speeding cars and golf carts. Please do your part and watch your speed and please advise guest(s) to do the same. We need to make sure everyone abides by the speed limit for the safety of all. Thank you for your help in this matter.

### **GARBAGE, RECYCLE AND YARD WASTE**

Management is getting many complaints about garbage being put by the street too early. Please remember that Garbage, Recycle, and Yard Waste may be placed at the side of your driveway **no earlier than the night before pick-up**. If you have contracted someone to trim and weed your lot, please make them aware of our rules and regulations. Please do not put any debris on the storm drainage as we do not want anything to go into the water system that should not be there. It will also prevent the water to drain when needed.

### **POOL RULES**

Management has received numerous complaints about the residents and guests not following the rules. Please be sure to check the rules posted. Management wants to ensure that everyone enjoys the pools. Remember no glass containers are allowed within the pool area, no food or drinks are allowed in the pools and no jumping into the pools or standing & jumping from the waterfall. It is the resident's responsibility to make sure that the rules are followed along with their guests.

### **OVERNIGHT STREET PARKING**

Please remember street parking is allowed for no longer than 3 consecutive hours during daylight hours. Residents and their guests must park in the driveway or in specially designated areas around the Community. There is no overnight parking allowed on the streets for any reasons. If an emergency vehicle comes in the community, they need to be able to go down all streets. This is a very important rule and someone's life may depend on it.

## Golf Quote of the Month

*"Bob Hope's Swing? I've seen better swings on a condemned playground."  
-Bing Crosby commenting on Bob Hope's Golf Swing.*

### **Tips from the Tee: The same swing doesn't work for every club**

*Golf is hard. There is no way around it. Its one of the few sports I know if that requires us to learn how to use 14 different clubs. Each of these clubs gets used a little different. For simplicity let's think of all the clubs, with the exception of the putter, in three groups. The groups are irons, fairway woods, and Driver. It is essential that you understand how each of these groups of clubs work differently. First irons are basically played in the middle of the stance and you must strike the ball with a descending angle of attack. Meaning we need to hit down through the ball. If you try to lift the ball or hit up on it you're going to fail. The fairway woods get played slightly ahead of the center of the stance but still require a slightly descending angle of attack. Yes, hit down on your fairway woods. Even taking a little divot on the other side of the ball is okay. Finally, the Driver gets played in the front of the stance. You must hit up on the ball with Driver. This is the only club in the bag that we hit up on other than putter. More on the putter at a later time. Understanding how each club works is like understanding the difference between a fork, a knife, and a spoon. Sure, they are all utensils but we use them much different.*

**Just a Friendly Reminder : Its Lightning Season**

If you hear thunder lightning is near. Weatherbug has a fantastic app everyone who plays golf should have. The app tracks your location and provides weather warnings when the threat of lightning or other dangers is near your location. 8 miles is the general rule. If lightning is within 8 miles get off the golf course. Then you need to wait 30 minutes after the last lightning strike within 8 miles. Most of the time you don't get a mulligan when it comes to lightning.

# **CRANE LAKES RESALE OFFICE**

The economy continues to need a reduction in the prime interest rate that's necessary to stimulate home sales again. We continue to have clients that want to buy and live in Crane Lakes, but just cannot sell their current homes or condos! If you are thinking about selling your home, the Fall and Winter seasons tend to be your best time to find a buyer.

Two beautiful new Black Diamond homes are still available to see and purchase. These are located on the largest lots in Crane Lakes with fantastic views! They offer great curb appeal and come with huge 22' x 32' two and a half car garages. Please feel free to come into the office if you want further information on these great new homes.

You are invited to stop by and pick up our information on new and resale homes, that you may want to share with your family and friends. Please remember our referral program; if a Crane Lakes resident brings a new customer to our office that ends up buying one of our listings during the month of September, we will thank our residents with a \$200 referral check after the closing occurs.

To contact us please call 386-304-0983 or email our office at [CraneLakesSales@gmail.com](mailto:CraneLakesSales@gmail.com) for an appointment to view any of our listings or for a free market evaluation on your current Crane Lakes home.

# 2024 Crane Lakes Annual Food Drive

Date: October 1st to November 30th

Place: Crane Lakes Ballroom

We are happy to announce that Crane Lakes will once again support the Port Orange Police Department with their annual food drive! They provide food through the Victim's Advocate Program to some of the residents of Port Orange that desperately need help! With soaring grocery prices, the need this year is greater than ever! Besides an increase in the number of families that need support, the number of seniors needing help has increased tremendously.

Let's show the Port Orange Police how much we appreciate their support by supporting their annual program!

Donating is easy:

1. Drop off your non-perishable donation in the ballroom
2. Call us, we will be happy to pick it up
3. If you give us your monetary donation, we will shop for you (let us know if you would like the receipt)

Thank you for your continued support of this worthy cause!

Bill & Barb Hawkins (Bill 214-0118, Barb 214-3300)

"I have been working with Tom for several years now along with John and Hayden. They took over Allen Ins who I had used as my insurance agent for my portfolio of rental properties for 18 years. The fact that we stayed with them when things changed and we continue to receive good service speaks for itself."

Susan Goldthorp

Licensed Real Estate Broker and Landlord

"We could not be happier to recommend Tom Bieri and Allen Insurance as the only insurance agency you will ever need. Tom has been my personal agent for over 10 years. Not only has he saved us thousands of \$\$ on premiums, but no other agent has been as thorough, honest and timely in his correspondence with us."

Tom & Missy Franke

"Tom makes the process of insurance easy and affordable. He is a straight shooter that is knowledgeable and honest. He truly cares about his clients and their individual needs."
